It is hard to believe a month has gone by in 2012. We have seen a team go to Haiti and return with a vision for ministry. 2012 is off to a fast beginning.

Saturday, February 4th is the Intercessory Prayer time at Oak Hill. I hope you will attend to pray for God's Kingdom to work in our lives. Wednesday, Feb 8th there will be a Town Hall meeting to review the budget and share a vision for 2012 at Oak Hill. I want to encourage you to be present. Various ministries have been praying and dreaming of how to fulfill our mission. I believe this night is a high priority in the life of our fellowship.

We must deal with making up payments related to the mortgage. We ask you to pray about what your family can do to meet the budget needs weekly and to make up this required payment. When we pray we all need to remember the economic circumstances of our nation.

I look forward to seeing you in worship in the coming weeks.
